

# LOGIC LABOR RELATIONS, LLC

This agreement is made on May 20, 2024 between Logic Labor Relations, LLC and **Vin Lux** and sets forth the terms and conditions for engagement of the services of Logic Labor Relations, LLC.

## **Background & The Current Climate**

For many years, dependent on the political party in the White House, the National Labor Relations Board (NLRB) has swung back and forth on the applications and enforcement of the National Labor Relations Act.

In light of this, it is incumbent on both parties to this agreement to understand that the legal interpretation and enforcement of the National Labor Relations Act is, in fact, changing and can change with any ruling that is issued by the NLRB.

As a result of this, what may be construed as lawful speech and approaches today, may be deemed to be unlawful tomorrow.

While Logic Labor Relations, LLC and its individual consultants will continually strive to ensure that all services including, but not limited to written materials, speeches, the coaching of managers and supervisors, conversations, discussions, as well as informational meetings for employees will be conducted with the utmost respect and adherence to the law, as applied at the time of engagement of services, the following must be understood and agreed to prior to the performance of services by Logic Labor Relations, LLC or any of its individual consultants:

1. It should be recognized and acknowledged that, given the aggressiveness of today's union leaders, in conjunction with the NLRB on a national and regional level, Unfair Labor Practices (ULPs) and election objections are to be expected in union organizing campaigns, as well as the potential for a Cemex bargaining order.

2. As part of Logic Labor Relations' *Client Commitment*, efforts will continually be made, in concert with labor counsel, to avert sustained ULP charges and/or election objections.
3. Given the expected increase in pro-union rulings, it should be expected that Unfair Labor Practices and/or election objections may be filed and potentially sustained, even on the basis of well-established and/or legally-sanctioned written material, and/or presentations made by persons *internal* (e.g., *supervision/ management*) or *external* (e.g., *consultants*)
4. Although efforts will continually be made and precautions taken to avert the filing of ULP charges and/or objections, it should be understood that individuals within and/or external to **Vin Lux** have no control to what a union alleges or takes action on through the National Labor Relations Board.
5. Therefore, Logic Labor Relations, LLC and any or all of its shareholders, employees, contractors, and/or individual consultants cannot and shall not be held liable, nor accountable, for that which occurs with regard to potential union-filed ULPs and/or election objections.
  - a. It is understood that this agreement shall indemnify Logic Labor Relations, LLC and any or all of its shareholders, employees, contractors, and individual consultants from any and all claims arising out of Logic Labor Relations, LLC's services to and on behalf of **Vin Lux**.
  - b. It is further understood and agreed that the above paragraphs shall apply to the parties as/if the so-called "PRO Act" (or any variant) is legislated or otherwise enacted through regulatory fiat to include monetary fines/penalties.
